JDayUSA 2024

Welcome to JoomlaDayUSA!

So we have done it again! Year Number 4!

I'm so grateful for the most amazing team, this day could not have happened without each and every one of our dedicated team members, Adam, Todd, Joe, Robin, Rod, Olivier, Mike, Pat, & Josh. What a team and what a family!

Another shoutout to all of our amazing sponsors who have contributed so generously to our efforts. THANK YOU.

What would a JoomlaDay event be without the precious time of all of the speakers! We can't wait to learn with you! THANK YOU!

Enjoy this booklet as a guide to our event, visit our sponsors' websites, and give shout-outs to the speakers. We can't wait to get to see you all in person and virtually in Nashville, Tennessee!

Sincerely in Joomla!,

Laura Gordon & the JDayUSA Team
